

COLOUR ENERGY® COURSE DESCRIPTIONS

INTRODUCTION TO COLOUR ENERGY®

This fascinating introductory workshop discusses the power of Colour Vibrational Energy™ Medicine. Discover what "colour intelligence" means and how colour connect to your chakra system, personality, soul life mission and general health. Learn how to heal with colour. Several exciting topics covered.

\$20.00 - 2.5 Hour Workshop

COLOUR VIBRATIONAL ENERGY™ LEVEL I - CORRESPONDENCE COURSE or 2-DAY WORKSHOP

The Colour Energy Course is available as an intensive 2-Day class and/or through an 8 week correspondence program! This is Colour Energy's most popular program. The topics discussed in detail cover:

- ▶ Hue are you? Discover your colour's main soul life mission!
- ▶ Your "chakra" intelligence centres and why you do what you do
- ▶ How to incorporate colour therapy into your life and professional practice
- ▶ The 7 colour energies: characteristics, life lessons, colour's physical, emotional, mental & spiritual effects, business & relationship successes, etc.
- ▶ Colour exercises, assignments and much more...

Get ready to experience and live a more colourful life! This course will teach you to look at life in colour. You will understand on a deeper level the effects of colour while using different energy modalities. No other colour or chakra course compares to the information contained in this comprehensive study! As you work through every colour, imagine the full awakening of each chakra centre as you connect to it on its various multi-faceted levels.
