

The Best Part of the Rainbow Isn't the Pot of Gold... It's the Rainbow Itself!

Did you know that colour is pure energy and that each colour of the rainbow has a different frequency and power which reach you through light rays? Light stimulates your endocrine system, which is connected to your body functions and its seven main neuro-plexus centres (chakras).
By balancing your personal colour needs you can reach an optimal level of well-being.

COLOUR VIBRATIONAL ENERGY™ CORRESPONDENCE COURSE

TESTIMONIALS:

The course report was very helpful and gave me some solid feedback in the areas that I need to improve on or have a better understanding.

I feel my journey in Colour Energy has just begun.

Nancy Bantz, OR

I am so thankful that you have taken the time to put such an information correspondence course together!! Thank you.

Sherry Knight, ON

I am so close to finishing my Basic (THIS IS NOT BASIC ITS ADVANCED!!) color certification that is so much WORK! It is my only New Year's Resolution!!!! Regards,

Dr. Philip Scott Ph.D, CA
